

WPS 2008 Scholarship

Essay Question:

“Describe one of the scientific perfusion facets utilized during a cardiopulmonary bypass case to manage a patient. In your discussion include a history of this facet, perhaps others areas of medicine or technology where it evolved from, how this facet has impacted perfusion, and the future of this facet. Could the knowledge of this facet allow a Perfusionist to look for applications outside the cardiac arena?”

The amount of the scholarship is \$500.00 and in the past we have awarded more than one scholarship.
